PROFIT ALERT — REDUCTION IN LOSS

This announcement is made by Hang Yick Holdings Company Limited (the "**Company**", and together with its subsidiaries, the "**Group**") pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "**Listing Rules**") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the "**Board**") of directors (the "**Directors**") of the Company wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on the preliminary review of the unaudited management accounts of the Group and other information of the Group currently available to the Board, the Group is expected to record a loss of not less than HK$5.7 million for the six months ended 30 September 2025 as compared to a loss of approximately HK$10.7 million for the six months ended 30 September 2024.

Based on the information currently available, the expected reduction in loss attributable to the owners of the Company was mainly attributable to (i) a reversal of impairment loss under expected credit loss model on trade receivables and contract assets, net of approximately HK$3.9 million; and (ii) the effective cost control in administration and operations.

The Company is still in the course of finalising its consolidated financial results of the Group for the six months ended 30 September 2025. The information contained in this announcement is only a preliminary assessment by the Board based on the information currently available to the Board, which has neither been reviewed nor audited by the Company's auditors. Accordingly, the actual results of the Group for the six months ended 30 September 2025 may be different from what is disclosed in this announcement. The Group's interim results for the six months ended 30 September 2025 are expected to be published on 28 November 2025.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
